

Program Overview

This program is designed to offer a broad-based update on traditional techniques and new ideas in the field of orthopedic surgery.

Target Audience

This program is directed towards practicing orthopedic surgeons, orthopedic residents and fellows, and other health professionals practicing in the field of orthopedics.

Program Objectives

By the end of this meeting, participants will be able to:

- Describe what the future of “value health care” is and how that will impact orthopaedic practice.
- Interpret the most recent data regarding causation of fracture nonunion and determine how to best prevent and treat nonunion.
- Recognize what factors may influence medical decision making when evidence is lacking.

AMA Credit Designation Statement

The New England Orthopedic Society designates this live activity for a maximum of 11.50 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education. The New England Orthopedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.
