2010 SPRING MEETING
Woodstock, Vermont
June 4-6, 2010

2010 FALL MEETING
Boston, Massachusetts
November 19-20, 2010

NEOS 2009 FALL MEETING

This program is designed to offer a broad based update on traditional as well as new ideas and techniques in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

Objectives

At the completion of this conference the participants will be able to:

- Summarize the ways to potentially improve access of care, improve quality, and decrease cost with regards to the health care reform plans currently being debated.
- Determine appropriate pain management strategies in the orthopaedic patient.
- Describe the importance of Vitamin D and its use in treating the orthopaedic patient.

CME Credit/Accreditation

The New England Orthopaedic Society designates this educational activity for a maximum of 11.0 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The New England Orthopaedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.
