NEOS 2013 FALL MEETING

This program is designed to offer a broad based update on traditional techniques as well as new ideas in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

Objectives

At the completion of this conference the participants will be able to:

- Understand the evaluation and treatment of the polytrauma patient;
- Define the surgical options for the treatment of glenohumeral instability;
- Analyze the impact and implications of the Affordable Care Act on physician practices and hospitals;
- Describe current trends in quality initiatives, health care reform, and contemporary clinical outcome analysis;
- Summarize the treatment options for primary and metastatic tumors involving the proximal femur.

CME Credit/Accreditation

The New England Orthopedic Society designates this live activity for a maximum of **11.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

1 credit meets the criteria of the Massachusetts Board of Registration in Medicine's requirements for risk management study.

The New England Orthopedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

Questions

For questions about this program or future NEOS events, please contact Andrew Finn at 781-434-7314 / afinn@mms.org or Ginny DuLong at vdulong@mms.org / 781-434-7316.
