10:45 -10:50am	Questions
10:50am	Adjournment

NEOS 2011 SPRING MEETING

This program is designed to offer a broad based update on traditional techniques as well as new ideas and in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

CME Credit/Accreditation

The New England Orthopedic Society designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

.5 credits meet the criteria of the Massachusetts Board of Registration in Medicine for risk management study.

The New England Orthopedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

Objectives

- Identify the new developments in assessing and treating wrist injuries and recognize the new complications associated with new technology used in the treatment of distal radius fractures
- Evaluate the treatment options and strategies for management of irreparable rotator cuff tears and shoulder disorders to optimize patient outcome.
- Recognize common injuries to the foot and ankle, their diagnosis and best treatment options.
- Compare the current treatment options in treatment of specific patterns of hip fractures.
- Effectively evaluate the factors that relate to the outcome in tibial plafond fractures.
- Identify current methods of evaluation and treatment of elbow and shoulder injuries in the throwing athlete.
- Evaluate factors important in the treatment of the infected total joint arthroplasty

NEOS Executive Committee 2011
