- 11:55 -12:00pm** Questions
- 12:00pm** **PROGRAM ADJOURNMENT**

NEOS 2012 SPRING MEETING

This program is designed to offer a broad based update on traditional techniques as well as new ideas and practice management improvements in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

CME Credit/Accreditation

The New England Orthopedic Society designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

1.25 credits meet the criteria of the Massachusetts Board of Registration in Medicine for risk management study.

The New England Orthopedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

Objectives

- Analyze the different types of practice models for orthopaedic surgery
- Debate the options of non-operative versus operative treatment of acetabular fractures in the elderly
- Describe tendinopathies commonly present in the elbow and the Achilles tendon
- Examine strategies for effective pain management and infection prevention in total joint arthroplasty
- Update the treatment of upper extremity fractures including the distal radius, proximal and distal humerus
