NEOS 2018 SPRING MEETING

This program is designed to offer a broad-based update on traditional techniques as well as new ideas and practice management improvements in the field of Orthopedic Surgery.

The program is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

CME Credit/Accreditation

The New England Orthopedic Society designates this live activity for a maximum of **11.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The New England Orthopedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

Objectives

- Identify which osteoporotic fractures are optimally treated with ORIF and which ones benefit from joint replacement
- Describe the optimal treatment for the skeletally immature athlete with an ACL injury.
- Explain the optimal treatment for isolated medial osteoarthritis of the knee in the young patient.
